### Distinguished Visitors

#### Come to Didsbury

The Masonic hall in the Leusler block was the scene of a very interesting ceremony on Friday afternoon and evening last when the grand master of the Masonic Order in Alberta, Most Wor. Bro. Botterill of Red Deer, the grand secretary Right Wor. Bro. H. Y. Taylor of Calgary, and the district deputy grand master Wor. Bro. Granna of Lacombe, visited King Hiram Lodge, A.F. & A.M., and delegates from other lodges in district No. 4 to meet with them on their annual visit and to hold a lodge of instruction. There were nearly sixty members of the craft present and had it not been for the very cold weather which prevailed, a great many more would have been present from outside points to meet the distinguished visitors. Wor. Bro. Rev. Robt. Pearson of Calgary was to have been present with the grand lodge officers, but owing to work connected with the Victory Loan, this well known and popular member of the craft was unable to get here.

The ceremonies opened at about 8:45 in the afternoon when the officers of King Hiram Lodge explained the third degree under the direction of the Wor. Master Bro. Geo. Smith and Bro. A. Brusso, P. M. The work was well performed and the officers and members of King Hiram have cause to be proud of the praise bestowed upon them for their work and also for the remarks made on the comfortable and complete quarters provided for Masonry in Didsbury by the distinguished visitors. The afternoon session ended about 6 p.m. and the brethren again assembled at 8 p.m., when important addresses and information on the welfare of the Order were given by the grand master and grand secretary which were listened to with rapt attention and were of great importance, not only to the craft in general, but which touched on the welfare of all.

At 11 o'clock, the business proceedings being ended, all present adjourned to the Odd Fellows hall in the same building, which had been kindly loaned for the occasion by that Order, where the "fourth degree" had been prepared by the lady members of the sister lodge, St. Hilda's Chapter of the Eastern Star. The tables were beautifully laid out, the splendid collation prepared being embellished by the bright bouquets of flowers, plants and fruit, the whole presenting a most appealing appearance, which not only appealed to the distinguished visitors present, but also caused the local members to sit up and take notice. After full justice had been done to the many splendid things provided, a short toast list was given, but had to be curtailed somewhat as a number of the visitors had to catch the north train at midnight. Bro. H. E. Osmond, P. M., as toastmaster, gave a short address of welcome and also stated that had Bro. J. A. Reed, the mayor, who was unable to be present on account of serious sickness in his family, been present he would no doubt have also extended a hearty welcome from the town, and also assured the visitors that they would always find the latch string out for them at any time they would visit us again. The first toast was that of "The King and the Craft," which was responded to by

the company rising and singing "God Save the King." "The Grand Lodge of Alberta" was proposed by Wor. Bro. J. A. McGhee and responded to by Most Wor. Bro. Bottrell, Right Wor. Bro. Taylor and Wor. Bro. Granna in short, snappy and humorous speeches. The next number was a recitation by our well known entertainer, Jim Phillipson, who recited one of Robt. Service's poems. The next toast was "The Visitors," proposed by Bro. Dr. W. G. Evans and responded to by Wor. Bro. Hambly, Master of Kenilworth Lodge, Red Deer. "The Ladies" was proposed by Bro. Jim Phillipson and responded to by Mrs. H. E. Osmond, Worthy Matron of St. Hilda's Chapter of the Eastern Star, in a most happy manner, in which she thanked the company for the many nice things that had been said during the evening on their efforts in making it a success. The proceedings were then closed by the toastmaster calling for the junior warden's toast, "Happy to meet, Sorry to part, Happy to meet again," in which all the brethren joined, and also in singing "Auld Lang Syne." Miss Beatrice Liesmer very kindly presided at the piano during the luncheon and rendered some instrumental music that was very acceptable.

The visitors departed announcing that they had had one of the best visits, both fraternally and socially, that they had enjoyed for some time.

It was a late hour when quietness reigned again in the Leusler block, but those who were present felt that the day's proceedings had been worth while.

### Vote on Electric Light Agreement

Thursday is the day set for taking the vote, yes or no, of the ratepayers on the proposed agreement with the Olds Electric Co. to supply power to the town of Didsbury which all means an expression of whether our local plant shall be disposed of or not. It is the duty of every ratepayer to come out and register his or her opinion on this important question whether favorable or unfavorable. The mayor and town council deserves fair treatment in the matter so that they can be guided by your actions. They give a great deal of time and attention to town matters during the year, and considering the difficulties with which they have to contend, it is no more than fair that you should give a few minutes of your time to help to guide them in this momentous decision for the welfare of the town. Come out and vote on THURSDAY, OCT. 30th.

WEDNESDAY, OCT. 29, 1919.

While the town council has not seen fit to take the public more into their confidence by at least publishing a summary of the proposed electric light agreement with the Olds Electric Co., the ratepayers will have to make their decision on Thursday by what they have largely learned through street talk, if they have heard any. This, of course, will not help greatly to get a right expression of opinion and it may be that the bylaw will go down to abject defeat for that very reason—because they do not know enough about it.

Since it will now be too late to be able to do much toward installing the pole line or other work, if the vote is in favor of signing the agreement, because of the early winter weather, it would be wise perhaps to delay the signing of the agreement till next spring and in the meantime it can be seen whether the Electric Co., through the installation of new machinery at its plant, which they claim to be doing or are going to do, will work out for the betterment of its service in Olds and also make a better arrangement for the town for its protection in regard to poor service.

The question has been asked us as to whether the holders of the debentures of the Didsbury electric light plant would agree to the proposed new arrangement. No doubt the council have taken up this matter with the bondholders, but if not would it not be advisable to do so at once as they may consider that they are not protected enough to allow us to shut down our plant.

The surprise party in Ontario last week when the U.F.O. returned so many of their members to provincial parliament, thereby throwing a bombshell into the ranks of the old line parties, seems to be having the effect of shell-shock. So far no one knows where they are going to get off at—the farmers are trying to form a government but are, or seem to be, as much taken unawares as any of the parties and so far are busy trying to get material to carry on the government without help from any of the other parties. It will be interesting to watch the outcome.

Here's a question to consider in regard to the change in electric light affairs. If the matter has not been laid before the debenture holders for their consent to the change, and after the agreement is signed they refuse to allow us to sell our plant, where are we going to get off at? We won't be able to sell, and if the vote is favorable to signing the agree-

ment we are bound both ways at double cost. If the consent of the bondholders has not been obtained, and so far as we are able to find out it has not, it would be better to wait and lay the matter before them first.

## The Cochrane Election

Monday was nomination day for the Cochrane by-election for the provincial parliament. The poll takes place on Monday next. A farmer candidate is opposing the Liberal nominee and an exciting election's being held. Mr. A. Moore is the U.F.A. candidate while Mr. E. V. Thompson is the Liberal choice. H. W. Wood, president of the U.F.A., is taking part and has interjected far reaching principles into the campaign, consequently the election will be well worth watching.

## Dominion By-Elections

The dominion by-elections to fill vacancies in the dominion house of commons were held on Monday with the following results:

Assinobia—Gould, farmer, elected by nearly 4,000 over Motherwell, Liberal. Motherwell loses deposit.

Carleton-Victoria—Total for both counties give Caldwell, farmer, 6,176; McVillie, Unionist, 2,580, with one or two small polls to hear from.

Glengarry and Stormont—Kennedy, farmer, elected by 1,1332,

with nine polls to hear from, which will likely increase majority to 2,000 over Hervey, Unionist.

Kingston—Drayton, Unionist, by acclamation.

Ontario South—Postponed, Prince, P.E.I.—Mackenzie King, Liberal, by acclamation.

Quebec East—Lapointe, Liberal, by 3,000 majority.

Victoria, B.C.—Tollie, Unionist, 7,105; Barnard, Federated Labor, 5,023.

# VICTORY LOAN

### Victory Bonds to be Awarded as Essay Prizes

Arrangements have been completed by the southern Alberta committee of the Victory Loan of 1919 for an essay contest among students in all the high schools throughout the southern territory, for which valuable prizes and medals are offered. The object of the competition, besides helping on the Victory Loan, is to stimulate an interest among young people in the financial affairs of Canada, and promote a general knowledge of the country's business affairs.

In order to interest the high school students of southern Alberta and give them reliable information regarding Canada's financial achievement during the war, and her

present needs, a booklet has been prepared especially for use by high schools, entitled, "The Bridge from War to Peace—Victory Loan, 1919."

#### Suggestion for Essays

The suggestion is being made to all high school principals that the regular school essay for November be set on the subject, "What Victory Loans Have Done and Will Do for Canada." All essays should be written as far as possible between October 27 and November 14, and all must be completed and handed in for examination not later than November 15.

The committee in charge of the Victory Loan in the southern Alberta territory is offering prizes for essays on the above subject for each high school as follows:

1. A first and second prize for grades 9 and 10.
2. A first and second prize for grades 11 and 12.

The first prize in each case will consist of a silver medal, and the second of a bronze medal. Essays will be judged in each school by the principal and two others to be selected by him. Where the number of pupils in grades 9 and 10, or 11 and 12, is under 10, only a first prize will be awarded. Prize essays from schools, with a statement of the names of the authors, must be in the hands of Ernest Willis, chairman of the southern Alberta publicity committee, Southam Chambers, Calgary, not later than December 10.

#### Victory Bonds as Prizes

Prizes will also be awarded for the best two essays in each group as follows:—First prize, a \$50 Victory Bond; second prize, a \$25 war savings certificate. These prizes will be personally presented by his honor, the lieutenant-governor.

The prize winning essays from the

various schools of southern Alberta will be read by a committee selected by the Victory Loan committee as soon as possible after Jan. 1, 1920. Pupils are urged to read carefully the booklet supplied, and to secure all help possible from other Victory Loan literature which may be available; and also by discussing the subject with their parents and friends. Both matter and form will be considered in awarding the prizes.

Winners of the southern Alberta prizes, residing outside Calgary, will be furnished with a free return trip ticket to Calgary in order that they may personally receive the prizes from the hands of the lieutenant-governor.

Remember the song, "Goodbye Broadway, Hello France?" Its author, Chuck Reisner, now is associated with Charlie Chaplin. They were friends back in London.

### Export Trade in Dairy Products Assured

It is the consensus of opinion of Canadian officials who have visited Europe that the future of the export trade in the dairy products is assured. In England butter is everywhere at a premium and Canadian cheese continues to hold its good reputation. Mr. H. S. Arkell, live stock commissioner, who has recently returned from overseas, states that the shortage of milk and dairy products in Great Britain is unprecedented. The same is true of other European countries. The scarcity and high price of concentrated feed is to some extent responsible for this. The condition is so general as not quickly to be remedied. It is further responsible for retarding the increase of swine production and the restoring of the normal requirements of fat. This statement from the live stock commissioner should give confidence not only to the dairy farmers but to those who are able to raise hogs.

## WHY YOU SHOULD BUILD ONLY FROM PLANS

Every building you put up this year and from now on should figure largely in your future.

Whether it be a new house or only a machine shed it will help you make money by saving it.

Just how much it will help depends on how well it fits into your needs now and later.

If you go ahead and build without any plan or any reference to future years and needs you are very likely to find that in a short time the building doesn't fit and you have to remodel, enlarge or build new.

WHATEVER YOU DECIDE TO BUILD GET A PLAN FOR IT, WE MAKE THEM FREE.

And just because it is a FREE service don't think that it isn't worth anything.

These plans are made to fit your ideas and your needs. They are made so that your buildings will be strong and durable and cost the least that they can be made to cost and be built right.

Just as soon as you decide to go ahead with any building see us at once for plans as well as material.

## AROUND THE TOWN

Mr. and Mrs. R. E. Denney returned from the States last week and are visiting friends in the district.

Mr. and Mrs. John Bellamy returned from their visit to Manitoba and Saskatchewan on Sunday and will visit their son for a few weeks before returning home.

The date for receiving the 35-cent of 6 per cent on your taxes expires on the last day of this month. It's time to get busy if you want to save this amount.

Train time is now the same as our ordinary time. That is, trains arrive and leave one hour later than the time which has been in force all summer. The change took place on Sunday last.

The polling place for the vote on the electric light agreement on Thursday is at the office of the town secretary-treasurer, A. Brasso, behind the Union bank building. Don't fail to register your opinion.

Millinery Sale. — Mrs. Peterson wishes to announce that there will be a Sale of Millinery all this week and next, when everything left in trimmed hats and ready-to-wear will be sold at cut prices. Call early and make selections.

S. Hardy has been appointed secretary of Didsbury Lodge of the I. O. O. F. in place of Mr. S. R. Wood, who has held the position for some years but who is now unable to carry on for a while through illness.

Mr. Jim Ruby returned last week from a visit to his son at Three Hills. Jim had to undergo a minor operation at Calgary hospital a short time ago which his many friends will be glad to hear was entirely successful.

The Dominion government seems to be able to expend hundreds of millions of dollars buying up bankrupt railroads at the very moment when it is protesting loudly that it is financially impossible to grant a modest cash bonus to returned soldiers. A queer outfit, this.

In an editorial on electric light matters published last week, we stated that we were informed that the addition of a small unit at the plant would cost \$12,000. Mr. Mjolsness now informs us that this would only cost \$4,000, but one of the best things that could be done would be to instal mechanical stokers which would cut fuel cost down more than half.

The Thanksgiving service held in the Presbyterian church on Sunday night was very well attended and the congregation listened with deep interest to Mr. McGregor's sermon which covered that fine old testament character, "Moses," in regard to our every day life. The church was tastefully decorated for the occasion and the choir, under the supervision of the organist, Mr. W. Farrington, rendered a nice program of music. Mr. Harry Matthews' solo, "Crossing the Bar," being well received. Next Sunday Miss McClain, a missionary from India, will speak in the church in the evening.

FARMERS TAKE NOTICE. — A special meeting will be held in the old Opera House, Didsbury, on Monday, Nov. 8th, at 1 p.m., to further discuss the Fraser Valley question. It is hoped that every farmer will make a special effort to attend this meeting. Mr. Higginbotham will be present and give an address on the subject before the meeting.

A change in the professional life of Didsbury, has just been completed and our readers will be glad

## Successful Meeting of Didsbury Rinks, Ltd

A very successful meeting was held on Tuesday night of the shareholders of the new company to take over the property of the old skating and curling rink company, and to organize for the coming season. The meeting was one of the best ever held in Didsbury, great enthusiasm being shown, which bids fair to carry the organization through any difficulties that may present themselves. Messrs. W. G. Liesmer and E. E. Freeman acted as chairman and secretary respectively.

The first business was the election of officers and directors, which resulted as follows:

President—W. G. Liesmer.  
Vice presidents—A. G. Studer and J. A. McGhee.

Secretary—E. E. Freeman.  
Directors—Dr. Clarke, W. H. Chambers, J. M. Reed, P. R. Reed, H. E. Osmond, J. V. Berscht, J. L. Brown, E. Morrison, T. Thompson, G. Liesmer, A. Alexander, G. Wright, J. A. Campbell, Dr. Evans, N. Cook, F. Kaufmann.

Executive committee—The two vice presidents.

The committee in charge of selling shares reported great success, about \$1,000 so far being realized. There's still a chance for others to get shares in the company.

It was decided that four nights a week should be given to skating and two nights for hockey practice or games.

Free skating will be allowed children under 15 years from four to six on Tuesday and Thursday afternoons and all of Saturday afternoons.

Season tickets will be sold \$3.50 or men, \$2.50 for ladies and \$2.00 or children 15 years and under.

Arrangements were then made to take over the old Curling Club Ltd. chairs and the meeting adjourned.

The committee is at work putting the grounds into shape and it is hoped that everything will be in running order very shortly.

Mr. W. A. Austin, who formerly conducted a law business in Didsbury and who returned from France a short time ago, has completed a partnership agreement with Mr. E. E. Freeman, and will again make his home with us. The new law firm will operate under the title of Freeman & Austin, and no doubt as both gentlemen are very popular in this district, the new venture will prove a success.

Don't forget your contribution to the bazaar and entertainment at Ruby school house on Friday evening, Nov. 7th, proceeds to go to the hospital fund. Ladies are requested to bring lunch.

Chopping Announcement. — We will chop for the public every working day through the week and our charges from Nov. 1st will be 12c per hundred, no job less than 25c. Mr. WEBER

The many friends of Mrs. E. E. Freeman will be glad to hear that she is recovering from her recent operation and was brought home from the Calgary hospital last week.

A very pleasant hour was spent by the members of the High School Literary Society on Friday last when they met for their first session, and an enjoyable program was given. The president, Ernest Clarke, in his address thanked the members for the honor shown him in electing him as their president and promised to do all in his power to make the Literary Society of this year a success. Speeches were given by the Misses Dorothy Orde, Margaret Smith and Winnie Moyle. Arnold Liesmer and Jessie Alexander favored the audience with instrumental solos and a chorus was very well sung by several girls. Ruth Brubacher gave a recitation and readings were given by Annie Finlay and Marius Van Wyck. Extemporaneous speeches filled in the time until four o'clock when the meeting closed with the singing of the national anthem.

R. B. Estes will hold an auction sale of 60 head of horses, 30 head of cattle and implements at his barn in Caistrans on Tuesday, Nov. 4.
